

Welcome to the Kinetic Media e-learning environment. This guide will allow you to setup your account and login to the e-learn environment.

## Step 1

If you are new to the site, you will need to create an e-learning account. Open your web browser and type in:

***[www.learnkinetic.co.uk](http://www.learnkinetic.co.uk)***

Into the address bar of your browser as shown below:

## Step 4

Once you have filled the required fields with the correct information, click on the **'Send Request'** button.

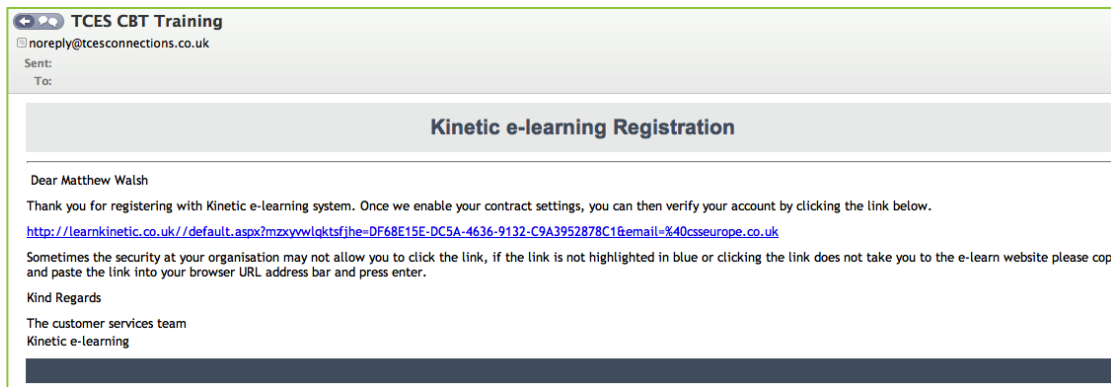

## Step 5

Now check your email. On some occasions, which are outside of our control, this email may go through to your 'junk mail', so please also ensure to check this. You will receive an automatic verification email from **'noreply@tcesconnections.co.uk'**, which contains a link, highlighted in [blue](#).

You simply need to click on this link. You will then be forwarded to the **'Verify My Email Address'** page.

Alternatively copy the blue link and paste it into the address bar of your browser as shown below. You will not be able to use the e-learn site until you have successfully verified your account.

## Step 6

Once you have arrived at the **'Verify My Email Address'** page, simply enter your **work** email address into the box provided and click on the grey **'Verify Now'** button. At the top of your browser window a red notification alert bar will appear confirming that you have successfully verified your account.

# Step 7

After verifying your account simply enter your work email address and press the **'Sign In'** button.

**Welcome**

Welcome to the Kinetic e-learn, a system that enables you to quickly access media to assist your learning in the workplace.

Kinetic e-learn is structured carefully and follows the format shown below:

- You have to watch each module from start to finish before the next one can be unlocked
- Once a module is unlocked it can be viewed as many times as you wish
- Then use your new found knowledge to practice each module in the practice area
- The system remembers the last module you played, so you can enter and exit the training in your own time and simply continue where you left off
- Existing users of the training system, please enter your work e-mail address and your password and click the **Sign in** button
- New users of the training system, please click on the **Request an Account** button. Simply complete the brief form, entering your work e-mail address and a password of your choice. Then click on the **Send Request** button
